

"Living Your Faith"

W I T H M Y R R H

Saturday Youth Seminar Led by Brienne and Heather

Workshops and teaching geared towards helping youth learn how to live their faith in everyday life.

Topics include: Real worship, Effective Prayer, Sharing Your Faith, Peer Pressure, Overcoming Fear, Finding Your Worth in Christ and Emotional Purity.

"It was our joy to have Myrrh minister on several occasions with us. I found they never came to perform, but to minister; they were always prayed up, anointed and sensitive to the promptings of the Holy Spirit. If your congregation is like mine was, you will hear them talking about the ministry of Myrrh long after they are gone and asking when they are coming back."

Gary Blanchard
Assistant Superintendent
Illinois Assemblies of God

"There are no words to adequately describe how I feel about Myrrh's ministry. I can say, incredible, fantastic, spirit-filled, and somehow NONE of these words adequately or even comes close to how their ministry moved me. They moved me beyond words. Jeanine's speaking got to me... and the tears just came rolling down, and I just let 'em go."
